

# FRANKENSTEIN

Mary Shelley began writing Frankenstein when she was only nineteen. At once a Gothic thriller, a passionate romance, and a cautionary tale about the dangers of science, Frankenstein tells the story of committed science student Victor Frankenstein. Obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter, Frankenstein assembles a human being from stolen body parts but upon bringing it to life, he recoils in horror at the creature's hideousness. Tormented by isolation and loneliness, the...
